Jayne - I left out a few sections in the Checklist because I am not sure what to say about things given the litigation situation. They want a yes or no answer and it really is not either. **Ex. 5 - Deliberative**

Ex. 5 - Deliberative

I also could not get the table to fit into the space, it would not let me modify it. I will send it to Marnie for help with that and add the %ULO column.

Ex. 6 - Personal Privacy but you seem to be on line this morning. If you want some boring reading here is the package I have which is about done and ready to circulate once the checklist is completed.

I will continue to work on it and hope to have this thing done soon. It will allow Don Yon to sleep at night.
